

Women in Computing Sciences Outreach Reflection Survey

Name:

School Visited (name/location):

Visit Date:

1. Why did you choose this school?
2. Did you visit during classes or outside of school hours?
3. If you visited during class, what grade and class was it?
4. How many teachers and students did you meet?
5. How did you format the session? What did you present?
6. How did the teacher(s) react?
7. How did the students react? What kind of questions did they ask?
8. Did you feel the session was successful?
9. Are there any lessons learned that you would like to pass on to Michigan Tech students who will be conducting similar sessions?
